Pebble cardstock ½" x 5 ⅛"

For card:

1. Score larger Vanilla cardstock at 4 ¼" to make A2 card base (finished card measures 4 ¼" x 5 ½").
2. Die cut three circles from Sky cardstock, then stamp USA on Sky circles with Navy ink.
3. Glitter sticky side of Clear Circle Stickers with Diamond glitter and adhere to USA circles with glue dot.
4. Adhere washi tape to Vanilla layer.
5. Stamp Darling Dots background with Cherry ink on Pebble layer.
6. Trim left end of Pebble strip using square punch at an angle (or use scissors); adhere to Vanilla layer.
7. Adhere USA circles to Vanilla layer – overlapping them slightly.
8. Wrap Baker's Twine around Vanilla layer and tie.
9. Mount Vanilla layer to card base with 3D foam adhesive.

Tip: Don't have washi tape? Use patterned cardstock in its place. This design works great for holidays too - spell out "boo" or "joy" - or even "hi!"
