Animal Expedition Designer Series Paper:

- Berry Burst Pattern: 2 x 1"

Instructions:

1. Prepare the Pool Party box base as written and photographed above. Adhere the Designer Series Paper to the front of the box with SNAIL Adhesive. BEFORE closing up the box using Tear & Tape Adhesive, punch a "handle" in the top of the box. I used a 3/4" circle punch and punched through the front and back layers all at once. Now, close up the tabs and assemble the box.
2. Die cut three seaweed cut outs from the Granny Apple Green Cardstock using the Under the Sea Framelits dies. Glue the seaweed in a line across the front of the box along the edge where the designer series papers meet.

bottom as shown in the following photographs. By punching the top and bottom of the tag separately you can make the tag as long as you want it to be! Punch the top of your tag with a 1/8" handheld circle punch for threading.

4. Stamp the fish image from the Cute Crew Punch Box on a 1-1/2" Whisper White circle using Memento Tuxedo Black and color with the Pumpkin Pie watercolor pencil also from the Cute Crew Punch Box. Adhere to the long Cute Crew tag using a Stampin' Dimensional.
5. Fill a 3 x 6" Cellophane Gusseted Bag about half way with goldfish or whale crackers OR Swedish Fish and tie the bag tight with about 14" of Coastal Cabana and Granny Apple Green Reversible Ribbon. Sit the bag inside the box and thread the tails through the front 3/4" circle handle. Thread tag onto one of the tails and tie a pretty bow.
