### Instructions:

1. Prepare coffee and donut tote by scoring, folding and cutting according to the measurements and photograph provided. On the back side of the Crumb Cake Cardstock, use your Simply Scored Tool to make lines at every 1/8" mark on the front side of the tote. Adhere the sides closed using Stampin' Seal+ or Tear & Tape Adhesive. Use a sticky note and centering ruler to line up the handle so the two sides of the top come together. Punch the handle in the center using the Classic Label Punch. If you are unsure how I use the sticky note to get the handles lined up, see the video.
2. Adhere the designer series paper to the front of the box as shown using Stampin' Seal+.
3. Using the Calypso Coral Stampin' Pad, stamp the coffee beans onto the primitive heart. Adhere the heart to the label using Stampin' Dimensionals, then adhere this piece to the front of the box using the same adhesive.
4. Use the Night of Navy Stampin' Pad to stamp the sentiment onto the stitched oval. Adhere the stitched oval to the scalloped oval using Stampin' Dimensionals, then punch a 1/8" hole in the top making a tag. Thread the Linen Thread through the hole and tie a loopy bow. Adhere the tag to the heart using Multipurpose Liquid Glue.
5. Use the Tuxedo Black Memento Pad to stamp the coffee cups. Color in one cup using the following Stampin' Blends: Night of Navy, Pool Party, and Calypso Coral. Fussy cut the cup, then adhere the cup to the center of the bow using Mini Stampin' Dimensionals.
6. Embellish the tote with the Frosted & Clear Epoxy Droplets as shown.
7. You are now good to place the coffee and donuts inside your tote and seal it closed using Stampin' Seal+ or Tear & Tape Adhesive. If you want your tote to be recloseable, consider tying it closed with Linen Thread or use some of the retired Mini Library Clips or
