# Instructions

1. Score and burnish the card base using your Bone Folder. Emboss the front of the card using the Timber 3D Embossing Folder.
2. Adhere the designer paper using liquid glue.
3. Make the 2-1/2 x 3-1/2" Basic White cardstock into a piece of notebook paper by using the die from the Gorgeously Made Dies to trim the top edge.
4. Swirl Pool Party ink on the Basic White notebook paper using a Blending Brush then stamp the background image from the Gorgeously Made stamp set, also using Pool Party ink, over the swirl of ink.
5. Cut the Garden Green hexagon in half using the torn edge from the Gorgeously Made Dies. Adhere it to the bottom of the notebook paper and then trim the bottom edge of the notebook paper to match the hexagon shape. Glue it to the card.
6. Stamp the sentiment on the Stylish Shapes banner using Tuxedo Black Memento ink.
7. Fold the Denim Ribbon then and adhere it to the sentiment using dimensionals. Adhere the ribbon sentiment strip combo to the card using Tear & Tape Adhesive.
8. Glue the sun and weathervane to the card tucking them behind the sentiment and ribbon.
9. Stamp the rooster, skateboard and fence using Memento ink, color with Stampin' Blends, then die cut. Pop them on the card with dimensionals.
10. Embellish with Rustic Metallic Dots.
