Instructions

1. Cut your designer series paper.
 - a. Mark the left edge of your two lightest designer series papers at 2 and 3". Then mark the right edges at 1 and 4".
 - b. Place two papers stacked on your paper trimmer. Line up the 2" mark on the left and the 1" mark on the right, on the cutting track of your trimmer and cut.
 - c. Line up the 3" mark on the left and the 4" mark the right on the cutting track of your trimmer and cut.
 - d. Repeat for the second stack of two sheets.
2. Your paper will look like the photo above when you are done. Adhere three pieces to each of the black cardstock card fronts then adhere the card front to the Bubble Bath card base using liquid glue.
3. Adhere the black scallop pieces to the back of the white squares and adhere the squares to the card front using the same glue.
4. Stamp the fruit with Memento black outlines then fill in with Melon Mambo and Lemon Lime Twist first and second generation stamping. Fussy cut the fruits and adhere them to the card using a combination of liquid and dimensional adhesive.
5. Stamp the sentiment on the labels using Memento ink.
6. Tie FOUR tiny bows, adhere one to each sentiment using a Mini Glue Dot.
7. Punch FOUR flowers, shape them with the take your pick tool and Stampin' Pierce Mat. Add a Lemon Lolly dingle to the center of each flower. Adhere to the sentiment label using a Mini Glue Dot.
8. Adhere the sentiment labels to the card using Stampin' Dimensionals.
9. Embellish with more Lemon Lolly Solid Gems.
