# Instructions

1. Score, burnish with a Bone Folder, and trim the treat box according to the template photo and measurements above. **Tip:** Save the large scrap. Cut it down to the 1-5/8 x 2-5/8" piece that you need. Emboss and adhere to the flap using liquid glue.
2. Glue the strip of designer series paper to the larger panel and then wrap with ribbon. Tie a loopy bow and adhere to the front of the box. Cut a notch with a 2" circle punch then assemble the box using Tear & Tape Adhesive.
3. Fill the box with your favorite Kit Kat flavor. I used these [blueberry muffin flavor](#).
4. Pop the white circle on to the box with dimensionals being careful not to glue the flap. The circle makes a tuck tab and holds the box closed.
5. Stamp the blueberries on Basic White Cardstock using Memento ink. Stamp the sentiment on the little label using Blueberry Bushel ink.
6. Watercolor the image with a water painter and Blueberry Bushel, Lemon Lime Twist and Granny Apple Green ink. Fussy cut. Adhere on the box with a combination of liquid glue and dimensionals.
7. Assemble the flower using Mini Glue Dots. Adhere it to the front of the sentiment label using a Mini Glue Dot. Adhere the leaves to the back of the sentiment label using a Mini Glue Dot. Pop it on the box using a combination of glue dots and dimensional.
8. Embellish with Rustic Metallic Dots.
