Instructions

1. Score, fold, burnish and cut the Basic White treat box according to the template above.
2. Adhere the small strip of designer paper the wider strip then cut them into two pieces at 3-1/4" this will result in a 2 x 2-3/4" piece and a 2 x 3-1/4" piece. Adhere the larger piece to the front of the box along the bottom edge making an even right, left and bottom border. Adhere the smaller piece to the top of the box front, below the pinch top fold, making an even top right and left border. This will result in a gap on the front of the box across the middle but don't worry, it will get covered.
3. Stamp the donut, cookie and strawberry using Tuxedo Black Memento ink. Color using Stampin' Blends. Die cut. Adhere these images to the ice cream base using liquid glue.
4. Adhere the Basic White ice cream swirl to the Pretty in Pink ice cream base using liquid glue. Reserve the extra pieces if you'd like to make a second treat box. This part of the project is like getting 2 for 1!
5. Fill in the ice cream swirl spaces with the negative pieces from the glimmer paper ice cream swirl. Reserve the extra pieces if you'd like to make a second treat box.
6. Adhere the designer paper wrapper to the Crumb Cake ice cream cone with liquid glue, then to the front of the treat box using liquid glue. Adhere the ice cream using Stampin' Dimensionals.
7. Stamp the sentiment from the Keeping Tabs Stamp Set on the white banner using Early Espresso ink. Punch a 1/8" circle hole in the banner making it a tag.
8. Place the ice cream cone bubbles treat inside the box. Wrap the trim around the top of the carton and make a bow.
9. Separate one strand from the 8" piece. Thread the single strand through the tag then under the bow and tie a thread knot. Adhere the tag to the ribbon using a combination of a Stampin' Dimensional and Mini Glue Dot.
10. Stamp the textured image of your choice from the Of Art & Texture Stamp Set on the Sweet Sorbet hearts using Sweet Sorbet ink. Adhere to the treat box using liquid glue for the small hearts and Mini Glue Dots f.
11. Embellish with Iridescent Rhinestones Basic Jewels.
