Instructions

1. Cut and score the wrapper pieces according to the template photo above. Burnish the score lines with a Bone Folder.
2. Assemble the pocket using Tear & Tape Adhesive.
3. Adhere the designer series paper to the wrapper and the pocket with Multipurpose Liquid Glue.
4. Staple the pocket inside of the first fold.
5. Open the pocket and stamp the right side of the top panel with the falling rain image using Shy Shamrock ink.
6. Wrap the ribbon around the card front and make a bow on the left side of the pocket.
7. Assemble the Daffodil Delight and Pumpkin Pie suns using liquid glue.
8. On the scrap of Basic White cardstock, stamp TWO of the flowers using Pumpkin Pie ink and ONE using Peach Pie ink. Stamp the flower stems using Lemon Lime Twist ink. Die cut.
9. Stamp the rainbow cloud image on the Balmy Blue cardstock using Balmy Blue ink. Die cut.
10. On the Basic White clouds, stamp the sentiments with Blueberry Bushel ink. Be sure to stamp the sentiment on the left side of the largest cloud. Adhere the Balmy Blue cloud to the pocket front using liquid glue.
11. Adhere the second largest white sentiment cloud and one of the suns to the card front using Stampin' Dimensionals. Adhere the Shy Shamrock raindrops or the Blueberry Bushel lightning bolt and one of the flowers to the card front using a combination of liquid glue and Mini Stampin' Dimensionals.
12. On the inside of the pocket adhere the large white cloud with the sentiment using liquid glue. Use Paper Snips Scissors to cut along the right edge of the cover to remove the excess cloud. Adhere the other two flowers and the second sun to the inside cloud using the same adhesive.
