Instructions

1. Glue the two pattern paper arches to the two Moody Mauve arches then use the second from the largest circle die from the Stylish Shapes Dies to cut a window in one of the arches.
2. Score, fold and trim the 4-1/4 x 5-1/4" Moody Mauve cardstock according to the template above. Burnish with a Bone Folder. Assemble the box using Tear & Tape Adhesive.
3. Adhere the arches to the front and the back of the box using more Tear & Tape Adhesive. Punch a 1/8" hole through both arches centered at the top.
4. Stamp the sentiment on the Very Vanilla arch using Moody Mauve ink.
5. Emboss the Moody Mauve arch using the Modern Herringbone 3D Embossing Folder.
6. Adhere the Very Vanilla arch to the Moody Mauve arch using Multipurpose Liquid Glue. Then punch a 1/8" hole in the arches to make a layered tag.
7. Pop the bear in the tote then thread the hole at the top of the arches with Black & Very Vanilla Large Check Ribbon. Thread the tag on the ribbon and make a bow. Secure the tag with a couple of Stampin' Dimensionals if you would like.
8. Adhere the die cut hearts using the same adhesive.
9. Embellish with Gold Heart Sequins.
