I am in love with the A Muse Studio Lunch Sack Die! It's so much fun to create with because of its flexibility. Cut a window or leave it whole, fold it closed like a lunch bag or leave it open, add a handle if you want. The choices are all yours! I wanted to cut a circle window to display the adorable Palmer's chocolate candies I found at Dollar Tree. If you haven't tried the Lunch Sack Die contact me. I would love to show you how it works!

Palmer's Snowman Candies

Instructions:

Step One: Die cut two Lunch Sack Die shapes from Bermuda Petite Polka Dot cardstock. Using the 2 1/2" Circle Die from the Circle One Die Set, cut a window in ONE of the Lunch Sack Die shapes. Assemble the Lunch Sack using Super Stick Tape.

Step Two: Cut a gift tag using the Gift Tag Trio Die Set from each Cherry and Cherry Petite Pinstripe cardstock. Stamp "Let it Snow" from December Stories on the pinstripe tag using Memento Tuxedo Black ink. Layer the two gift tags as shown and decorate with an Evergreen cardstock reinforcer, also cut using the Gift Tag Trio Die Set. Attach reinforcer with tiny attacher staples and tie a bow of Cherry Bakers Cording. Glue tags to the Lunch Sack about 1/4" from the bottom over lapping the circle window.

Step Three: Stamp snowman from Santa and Friends on Sugar cardstock using Memento Tuxedo Black ink. Color with with Copic Markers and hand cut. Adhere to the Lunch Sack and gift tag with 3D Foam Adhesive.

Step Four: Fill a Medium Cellophane Treat Bag with Palmer's Chocolate Snowmen. Keep the candies in one flat layer. Fold the bag over and slide the Cellophane bag flat into the Lunch Sack.

Step Five: Cut a medium Snowflake out of Sugar cardstock and embellish the center with a 6mm Cherry Sequin. Hold the snowflake centered at the top of the bag and staple the bag shut with the Tiny Attacher.
