Ornate Garden Designer Series Paper: 6 x 6" Fold your DSP in half diagonally. Score with the base of the triangle (longest side, folded side) on the top of the Simply Scored Tool at 2 3/4" and 5 3/4", then rotate the base of the triangle against the side of the Simply Scored Tool and score at 1/2"

Terracotta Tile Scallop Edge Linen Ribbon: about 16"

Green Craft Wire: about 9"

Instructions:

1. Score and fold your choice of pattern 6 x 6" designer series paper as listed above. See the step by step photos below:

2. Punch the top of the tote with a corner rounder and then use a 1" Circle Punch, punching through both layers of designer series paper, to make handles for your tote. Tie the handles together with your Terracotta Tile Ribbon.
3. Stamp the bees on the scrap of Whisper White using Soft Suede ink and die cut them and color with So Saffron Blends. Stamp the hive on the So Saffron Cardstock scrap using Daffodil Delight ink and die cut. Adhere the hive to the front of the tote using Mini Stampin' Dimensionals.
4. Punch the three Medium Daisies from Whisper White Cardstock. Punch the leaf from Pear Pizzazz Cardstock. Punch the flower center from So Saffron Cardstock. Shape the flowers and adhere them together with a Multipurpose Liquid Glue. Punch and stamp a 1/2" circle with Artisan Textures using Daffodil Delight ink. Shape the flower center and adhere using Mini Dimensionals. Adhere the leaf to the back of the flower between the petals with Multipurpose Liquid Glue. Adhere the flower to the hive with a Mini Stampin' Dimensional.
5. Wrap one end of the craft wire around a Sharpie a few times. Wrap the other end around a paper piercer. That will give you a wide curl with a flat space and then a tight curl. Glue the end of the wire with the loose curl under the daisy. I used a Mini Glue Dot and Mini Stampin' Dimensional. Adhere the bee to the wire using a Mini Glue Dot on the back bee and a Mini Stampin' Dimensional on the front bee, sandwich the wire between the two adhesives.
6. Embellish with Gilded Gems.
