Folder and adhere to the card front. Then adhere the designer paper to the cardbase as shown using Multipurpose Liquid Glue.

3. Using the Misty Moonlight Stampin' Pad, stamp the dragonfly on Basic White Cardstock. Stamp to color in the wings using the Seaside Spray Stampin' Pad. To fill in both wings, just turn the fill image 180 degrees to fill in the other side, it will not be perfect but it still looks great! Punch out using the Dragonflies Punch and set aside.
4. Using Misty Moonlight Ink, stamp the sentiment on the bottom right of the Basic White piece. Using the Bumblebee Stampin' Pad, stamp the dragonfly image on the same piece. Fill in the wings using the fill stamp and So Saffron Ink, stamp off once before stamping on your project. Adhere to the cardbase as shown using the same adhesive.
5. Make a bow and adhere it with a Mini Glue Dot in the bottom right corner of the sentiment piece.
6. Adhere a ladybug Trinket in the center of the bow using another Mini Glue Dot.
7. Adhere the dragonfly by gluing only the body of the dragonfly, then lifting the wings slightly.
