## Instructions:

1. Start by coloring the ribbon using the light Soft Succulent Stampin' Blend using the brush tip side of the marker. Set aside to dry.
2. Cut the designer paper according to the photo above. Adhere it to the top of the Basic White cardstock using Multipurpose Liquid Glue. Emboss both of the 1/2" pieces of Soft Succulent cardstock using the Tasteful Textile 3D Embossing Folder. Adhere them to the card front as shown. Cut the edges to line up with the Basic White Cardstock using your Paper Snip Scissors.
3. Stamp the sentiment for the card front on the 4 x 5-1/4" pieces and the sentiment for the inside of the card on the 3-3/4 x 5" pieces using Evening Evergreen ink as shown.
4. Prepare the card base for each card by scoring and burnishing. Adhere the white pieces using liquid glue.
5. Stamp two floral images using the Tuxedo Black Memento Pad. Color using the listed blends. Die cut the colored floral image, as well as, four leaves and two sprigs.
6. Place Tear & Tape or Stampin' Seal+ on the back of the floral image and stick the colored ribbon onto the adhesive. Swoop back and forth across the adhesive in a zig zag formation.
7. Adhere the floral image to the card front using Stampin' Dimensionals. Cut the sprig in half and adhere to the card base using Mini Glue Dots. Do the same with the two die cut leaves.
8. Embellish with Gold Adhesive-Backed Swirls.
