- Adhesive or Multipurpose Liquid Glue. Distress the edges with a pair of Paper Snips.
3. Wrap the seam binding ribbon around the seed packet leaving enough ribbon to make a bow later. Adhere it in place using Tear & Tape Adhesive.
 4. Adhere the embossed and distressed Vellum Cardstock to the folder using Multipurpose Liquid Glue ONLY in the center areas where it will be covered by other papers.
 5. Distress the edges of your designer paper using a pair of Paper Snips. Adhere the designer paper inside and out using liquid glue.
 6. Stamp the "Queen" sentiment using Blackberry Bliss ink and a small bee on one of the tags. On the other tag, stamp the floral image in Memento Tuxedo Black Ink.
 7. On the Basic White scraps, stamp a small bee and a floral image using Memento Tuxedo Black ink. Color the floral images and bees on the scraps and tags using the Stampin' Blends listed. Die cut the images on white scraps.
 8. Adhere the floral image, the Old Olive half wreath and honeycomb on the outside of the folder using liquid glue. Adhere the sentiment and the small bee using Stampin' Dimensionals. Shape and adhere the Blackberry Bliss flowers using Mini Glue Dots.
 9. On the inside of the folder, adhere the Mossy Meadow leaf, shape and adhere the Blushing Bride flowers, and embellish using the inside pieces from the honeycomb.
 10. Glue the tags to scraps of designer series paper to cover the blends bleed through and pretty-up the back. Cut the designer series paper away along the edges of the die-cut tag, then punch the hole in the top again using a 1/8" hole punch. Thread the tags and tie bows on top of both Basic White tags using the Whisper White Seam Binding. Then tie a bow with Linen Thread over the seam binding bow. Embellish the tags with a small Blushing Bride flower on one tag and a Be Dazzling bee on the other.
 11. Tuck the tags and seeds in the pockets, tie to close and embellish outside with Iridescent Rhinestones Basic Jewels and the inside pieces from the honeycomb.
