Instructions

1. Score, burnish with Bone Folder and trim the candy box according to the template.
2. Stamp the image of your choice from the Of Art & Texture Stamp Set on the box using Gray Granite ink.
3. Adhere the designer paper to the box using Multipurpose Liquid Glue. Cut a little thumb notch on the back using a 1/2" circle punch and round the corners of the tuck tab to make opening easier. Assemble the box using Tear & Tape Adhesive.
4. Stamp the duck on Basic White using a combination of Memento Tuxedo Black, Gray Granite and Peach Pie ink. Stamp the lily pad on Basic White with Pretty Peacock ink. Stamp the cattails with a combination of Granny Apple Green and Gray Granite ink. Color the images with Stampin' Blends and die cut.
5. Stamp the greeting on the little white tag using Pretty Peacock ink.
6. Tear the bottom edge off of the Granny Apple Green circle and stamp it with the texture of your choice using Granny Apple Green Ink.
7. Use a Blending Brush and Pool Party ink to brush a sky on the white circle. Adhere the Granny Apple Green portion of a circle to the white circle with liquid glue. Tuck the cattails in behind the green grass. Adhere them with a combination of liquid glue and a dimensional.
8. Adhere the label, tag and Basic White circle to the box using a combination of liquid glue and Stampin' Dimensionals.
9. Pop the duck and lily pad into the scene using more dimensionals.
10. Thread the greeting tag and arrow tag through with Linen Thread and make a bow.
11. Embellish using Iridescent Foil Gems.
