# Instructions

1. Score, burnish with a Bone Folder and trim the Real Red cardstock according to the template. Assemble the box using Tear & Tape Adhesive.
2. Adhere the designer series paper to the lid. Use a 1/2" circle punch to cut a thumb notch in the bottom of the box at the narrow end. Fill the box with treats and close it up.
3. Stamp the greeting on the Basic White tag using Garden Green ink.
4. Thread the tag with a double length of Red & White Bakers Twine and tie a big loopy bow. Adhere the tag to the box using Stampin' Dimensionals.
5. Assemble the presents by adding the ribbons using liquid glue then adhere them to the tag using dimensionals.
6. Cut two leaves off of the holly. Adhere one to the box, tucked behind the tag, using a Mini Glue Dot. Adhere the other leaf to the tag using a Mini Stampin' Dimensional.
7. Adhere the holly berries to the center of the bow using a Mini Glue Dot.
