2. Score, fold and trim the Real Red or Melon Mambo cardstock according to the template above. Burnish with a Bone Folder. Assemble the box top using Tear & Tape Adhesive.
3. Fold the 2-7/8 x 5" Bubble Bath cardstock on the 1" score line and then insert that piece inside the box to lift the Valentine and spinner. Put the lid on the box.
4. Adhere the designer paper to the lid using Multipurpose Liquid Glue.
5. Stamp the sentiment on the Basic White banner using Real Red ink.
6. Fold the rosette die cuts accordion style then glue them together end to end using liquid glue. Form the rosette. Glue the white pinking circle to the back and the Bubble Bath pinking circle to the front of the rosette to secure. TIP: Use hot glue then put a large stamp block on top to hold everything in place until it's cool and set.
7. Glue the Real Red and Melon Mambo asterisks together using liquid glue. Adhere the asterisks and the heart to the rosette using Stampin' Dimensionals.
8. Adhere the rosette to the box top using hot glue. Adhere the ribbon bow to the rosette using the same glue.
9. Adhere the sentiment banner to the box top using double dimensionals on the right side of the banner to secure it to the rosette and a Mini Glue Dot on the left side of the banner to secure it to the ribbon.
10. Embellish with Gold Heart Sequins.
