## Instructions

1. Score, fold and burnish the Soft Sea Foam card base using a Bone Folder. Emboss the card front using the Cane Weave Embossing Folder.
2. Adhere the designer paper and the die cut label to the card using Multipurpose Liquid Glue.
3. Stamp the pear and stem on Basic White cardstock using Early Espresso ink. Color with Stamping Blends then fussy cut. Assemble the pear by adhering the stem to the fruit using liquid glue.
4. Stamp the sentiment on the white banner using the same ink.
5. Adhere the die cut branch, pear with stem and the banner to the card using a combination of liquid glue and Stampin' Dimensionals.
6. Shape the flower using the capped putty end of the Take Your Pick Tool and a Stampin' Pierce Mat. Adhere a little beige flower to the center using liquid glue. Adhere the flower to the extra leaves using Mini Glue Dots. Adhere the assembled flower and leaves to the card using the same adhesive.
7. Embellish using more little beige flowers the Texture Dots.
