Instructions

1. Score, burnish with a Bone Folder, and trim the treat box according to the template photo and measurements above. Assemble the box using Tear & Tape Adhesive.
2. Score the ends of the 1/2 x 7-1/2" strip of Poppy Parade cardstock then burnish it with a Bone Folder. Adhere the handle to the inside of the box lid using Multipurpose Liquid Glue. Using the same adhesive glue the 11/16 x 3-1/8" piece of Poppy Parade Cardstock over the ends of the handles to reinforce them and to make a clean finish inside the box.
3. Round the corners on the flap and the smallest piece of designer series paper if you like, then adhere the designer paper to the front, back and the flap using Multipurpose Liquid Glue. Use mini Velcro dots to close the box.
4. Use Paper Snips to cut the Basic White label so it looks like a snow hill and adhere it to the Pool Party label using liquid glue. Then adhere the label to the box using Stampin' Dimensionals.
5. Stamp the bear and the tree on Basic White scraps using Memento Tuxedo Black Ink. Color the images with Stampin' Blends and then die cut.
6. Assemble the presents using Multipurpose Liquid Glue.
7. Pop the bear on the box using Stampin' Dimensionals. Adhere the tree and large present using Multipurpose Liquid Glue and the Gold Foil star to the top of the tree using the same adhesive.
8. Adhere one of the small presents to the lip balm using a Mini Glue Dot and the other small one to the box using a Mini Stampin' Dimensional.
9. Stamp the sentiment on the small dotted circle using Garden Green Ink then adhere the circle to the Garden Green Banner. Punch a hole in the top using a 1/8" hole punch.
10. Tie the tag to the handle of the bag using the Real Red & Gold Dotted Ribbon
