Instructions

1. Score the Basic Beige cardstock and then work all the score lines with a bone folder. Trim according to the the template photo above.
2. Cut some chicken lips on the 1 x 2-7/8" designer paper using Paper Snips or your Tailored Tag Punch. Adhere the designer paper to the pockets and front cover using Multipurpose Liquid Glue.
3. Cut the thumb notches. I used a 1-1/4" circle punch to make my thumb notches, but you can get creative if you want. Assemble the pockets using Tear & Tape Adhesive, see the adhesive placement photo below.
4. Wrap the portfolio with some Shiny Red Ribbon and tie a big loopy bow to close.
5. Adhere the Crumb Cake rectangle to the front of the portfolio using Stampin' Dimensionals. Be sure to secure the ribbon, adhering it to the front of the portfolio, using the same dimensionals.
6. Use some liquid glue to adhere the Basic Beige heart tag to the Early Espresso heart tag.
7. Adhere the Real Red polka dot bandana to the Garden Green bandana using the same glue. Adhere the Real Red knot to the bandana using a Mini Stampin' Dimensional.
8. Stamp the greetings on the arrows using Early Espresso ink and then make the arrows into tags by punching them with a 1/8" circle punch. Thread the dog tag on to the Early Espresso Linen Thread then thread the sentiment tag on behind it. Tie a loopy bow. Repeat for both dog tag and sentiment tags.
9. Adhere the bandana, bone and heart to the front using liquid glue.
10. Adhere the outside greeting and beige heart tag using a combination of liquid glue and Stampin' Dimensionals.
11. Adhere the circle tag with inside greeting, bone and heart to the inside right pocket using liquid glue or Mini Glue Dots.
12. Embellish the front with Garden Green Dear Dots.
