## Box Template

## Wrap Template

## Optional Dividers Template

# Instructions

1. Score, burnish with a Bone Folder and trim the Shaded Spruce cardstock pieces according to the template photos and measurements above. Assemble the box and wrap using Tear & Tape Adhesive. Then, fold and adhere the divider inside the box using the same adhesive. Lastly fold the remaining insert piece and drop it in the smaller section of the box.
2. Add your treats to the box and slide it into the wrapper.
3. Adhere the Nest of Winter Designer Series Paper to the top, front and back of the wrapper then to the short sides of the box using Multipurpose Liquid Glue.
4. Cut some chicken lips on the remaining piece of Lovely Garden Designer Series Paper and set aside for now.
5. Adhere the large eyelet heart to the box using liquid glue.
6. Use the embossing buddy from the Embossing Additions Tool Kit on a scrap of Basic Black cardstock to dab some powder, then stamp the greetings using Versa Mark ink. Pour white Embossing Powder from the WOW! Embossing Powder Basics over the sentiment, then pour the excess back into the container. Carefully heat the images using a Heat Tool. Allow to cool then die cut with the skinny tag die.
7. Stamp the line image on the Basic White postage rectangle using Memento Tuxedo Black ink. Stamp the little trees hanging on the line using Shaded Spruce ink. Adhere postage rectangle to the box using liquid glue.
8. Adhere the tall tree and trunk and the wide tree to the box using the same adhesive.
9. Adhere the remaining designer paper and the sentiment tag to the box using the same adhesive. When gluing the sentiment tag, do not glue down the end with the hole, instead allow to dry a bit then thread the hole through with some Red & White Baker's Twine.
10. Make a double bow using the divided Shaded Spruce & Soft Sea Foam Ribbon. Adhere the bow to the box securing one end of the Red & White Baker's Twine. Use a few Mini Glue Dots to ensure it's secure then tie the Baker's Twine in a loopy bow on top of the Shaded Spruce double bow.
11. Adhere the sparkle snowflakes using a combination of Mini Glue Dots and Stampin' Dimensionals.
12. Embellish with Adhesive-Backed Peppermints and Shimmer Star Foam Stickers.
