# Instructions

1. Score, burnish and trim the box according to the template. Assemble the box using Tear & Tape Adhesive.
2. Adhere the designer papers to the box using Multipurpose Liquid Glue.
3. Cover both sides of the clothes pin, one at a time, with designer paper using a clear dry liquid glue. Allow the glue to dry and set before trimming excess paper. This clothes pin is from the Rustic Christmas Countdown Kit but similar ones are available on Amazon, see the sources above for a link.
4. Stamp the greeting on the white heart using Memento Tuxedo Black ink. Stamp the top of the popcorn box on the bottom edge of the heart, under the sentiment, using Daffodil Delight ink.
5. Adhere the sentiment heart to the Real Red heart charm tag using Stampin' Dimensionals.
6. Stamp two popcorn boxes on a scrap of white cardstock, one using Daffodil Delight ink and one using Real Red ink. Die cut both boxes.
7. Assemble the popcorn box by cutting the popcorn off of the red popcorn box and then gluing it to the Daffodil Delight popcorn box using liquid glue. Use a Basic Stampin' Write Marker or Journaling Pen to draw over the eyes and legs.
8. Stamp FOUR popcorn kernel guys on a scrap of white cardstock using Daffodil Delight ink. Use a Basic Black Stampin' Write Marker or Journaling Pen to draw over the eyes then die cut. Optional: use the texture insert when die cutting the kernels.
9. Pop the popcorn kernel guys and popcorn box onto the box and clothespin using Stampin' Dimensionals.
10. Adhere the small red die cut hearts to the front of the box using liquid glue.
11. Wrap the ribbon around the front top flap of the box, thread on the heart tag and tie a bow.
12. Embellish using the Opal Rounds Assortment.
13. Place the treat inside the box and close with the decorated clothes pin.
