Instructions

1. Score the Pretty in Pink cardstock and then work the full score lines with a bone folder. Trim according to the the template photo above.
2. Adhere the designer series paper to the inside panels and then cut the thumb notch. I used a 1" circle punch to make my thumb notch.
3. Assemble the wallet using Tear & Tape Adhesive by folding up the pockets. Be sure that the gift card pocket is on the left and the deeper candy pocket is on the right when assembling and before decorating.
4. Emboss the 2-3/8 x 4-3/16" Pretty in Pink cardstock panel using the embossing folder of your choice. I used the retired Painted Texture 3D Embossing Folder. Adhere it to the wallet using Multipurpose Liquid Glue.
5. Cut some chicken lips on the remaining designer paper strips and then adhere them to the wallet using the same adhesive.
6. Stamp the greeting on the Basic White tag using Memento Tuxedo Black ink.
7. Wrap the Basic White banner with the Bubble Bath Ribbon and tie a knot to the left of center. Thread the sentiment tag on to the ribbon and tie a loopy bow
8. Adhere the banner to the gift card wallet using the Stampin' Dimensionals. Secure the tag to the banner using more of the same adhesive.
9. Adhere the fancy Real Red heart and Basic Black arrow to the regular Flirty Flamingo heart using liquid glue. Adhere the heart to the banner using Stampin' Dimensionals.
10. Adhere the "XO" to the gift card wallet using Stampin' Dimensionals.
11. Adhere the tiny Real Red hearts using liquid glue and a Take Your Pick Tool.
12. Embellish using the Sparkle Dot Essentials.
13. INSIDE: Adhere the 1-3/16" square designer paper to the Basic White postage square, followed by the Real Red Heart and Basic Black "XO" using liquid glue.
14. Adhere the decorated postage stamp to the inside of the wallet using the same adhesive.
15. Embellish using more Sparkle Dot Essentials.
16. Secure closed with a Velcro Dot.
