# Instructions

1. Score, fold, burnish and trim the Cloud Cover treat box according to the template. Assemble the box using Tear & Tape Adhesive.
2. Fussy cut the chicken lips at one end of the designer paper strips.
3. Adhere the die cut designer paper rectangles to the Cloud Cover die cut rectangles using Multipurpose Liquid Glue.
4. Punch a slot using the Hole Punch Assortment at the top of each of the Branching Out rectangles.
5. Glue the designer paper strips to the front die cut rectangle and then punch through to reestablish the slot punch hole at the top.
6. Adhere the one decorated Cloud Cover rectangles to each side of the box using Tear & Tape Adhesive.
7. Pop some treats in the box and thread the slot with the Petal Pink Braided Trim. Close the box using THREE strands of the unbraided trim to make a loopy triple bow around the braided trim.
8. Stamp “Friends Like You are Golden” on white cardstock using Old Olive ink. Die cut using the fishtail banner die.
9. Using the same stamp, selectively ink just the words using Secret Sea ink and then stamp on a scrap of white cardstock. Fussy cut the words.
10. Using the same stamp again, selectively ink just the word “are” using Pecan Pie ink and stamp it on a remaining area of the white cardstock scrap. Fussy cut just the word “are” and adhere it to the Secret Sea greeting using liquid glue.
11. Adhere the multicolor greeting to the banner tag using Stampin’ Dimensionals. Adhere the greeting banner to the treat box using more dimensionals.
12. Adhere the Old Olive leaves to the box using Mini Glue Dots.
13. Shape all the flowers using the capped putty end of the Take Your Pick Tool and a Stampin’ Pierce Mat. Add a Neutral Matte Dot to the center of each of the small flowers.
14. Assemble the larger flower by adhering one of the small flowers inside the medium flower using a Mini Glue Dot. Adhere all the flowers to the box using more Mini Glue Dots.
15. Embellish with more Neutral Matte Dots.
