Instructions

1. Score, fold, burnish, and trim the box according to the template above. TIP: save the chunks of cardstock that you cut away when trimming the box. You can use them to die cut your scallop circle.
2. Adhere the designer series paper using Multipurpose Liquid Glue. Mark the center of the front panel then punch a thumb notch using a 1/2" circle punch.
3. Assemble the box using Tear & Tape Adhesive.
4. Stamp TWO large leaves on Old Olive cardstock using Old Olive ink. Stamp FIVE large leaves and FIVE small leaves on Golden Glow cardstock using Golden Glow ink. Stamp or fussy cut.
5. Using a bone folder, lightly curl the Golden Glow leaves to create dimension.
6. Use Mini Glue Dots to adhere the large leaves in a group of five. Do the same with the small leaves. NOTE: The Mini Glue Dots are not enough to hold this big dimensional flower together or to secure it to the box. I like a hot glue gun.
7. Now that you have the large and small leaves arranged in a circular groups, use hot glue to adhere the small group centered inside the large group.
8. Emboss the scalloped circle using the Softly Woven Embossing Folder then use a capped Take Your Pick Tool and a spongy mat from the Take Your Pick Die Brush Tip to shape the scallop circle into a dome. Adhere the sunflower center to the flower using a large and deep dollop of hot glue. Be careful - hot glue is HOT.
9. Adhere the Old Olive leaves to the box using liquid glue, then adhere the flower to the box using hot glue.
10. Stamp the sentiment on the Very Vanilla flag banner using Early Espresso ink. Adhere the banner to the box using a combination of Black Mini Stampin' Dimensionals and liquid glue.
11. Tie a loopy double bow using TWO strands of Linen Thread, then adhere it to the banner using a Mini Glue Dot.
12. Embellish the using Gold Adhesive-Backed Dots.
